

Paul Cox: "A Prayer to Release Us into Financial Freedom"

Vision of Money

While we were conducting the Advanced Discernment and Exploration School in the Perth area of Australia, Linda Fimbres had a vision of a man holding a stack of money. Linda told me to discern the lines coming from the money. I found that I could feel lines connecting the money to the person's heart and mind. I could also feel lines coming off of the money and going to banks, institutions, other people, and freemasonry groups. Linda then asked the Lord what the money should be connected to. His response was very clear. **All money is to be connected to Him, The Lord of Creation.**

As we shared the vision with the school, the Lord began moving in our midst. The Lord brought to our remembrance Scriptures that spoke of the relationship we are to have with money. (Scripture references noted at bottom of article.) The Lord then asked us to construct a prayer of renunciation for the way we and our generational lines have thought of and handled money. Below is the prayer to "Release Us Into Financial Freedom."

Prayer to Release Us Into Financial Freedom:

"I repent that I have not treated and valued the Kingdom of Heaven as I should, and that I have exchanged the value of the Kingdom of Heaven for the desires of my heart in the form of earthly Kingdom. Lord, I repent for worrying about life, food, and clothing. I repent for laying up treasures on earth where moths and rust destroy, and where thieves break in and steal. I repent for robbing the Lord, and not freely and cheerfully giving my offerings to You out of a heart of love."

"Lord I repent for loving money, for serving mammon (riches), for greed, and for covetousness."

"I repent of the belief that money is the answer to everything in my life. I repent of expecting money to be my answer and my friend. I repent for forsaking You as my life source, and for focusing my eyes on the pursuit of wealth to my own harm and the harm of others. I repent for choosing to serve mammon in preference to You, and thereby filling my life with darkness. I renounce on behalf of my ancestors and myself, for every agreement made with mammon, by using money in ungodly ways and for ungodly purposes. I repent for being double-minded with money, and unstable in all of my ways."

I choose to hate mammon, and to love you Lord, with my whole heart. I choose to place my treasure where my heart is, in the Kingdom of Heaven, for You to use as You choose."

"I repent for making money my defender, security, and protection."

I repent for believing that chants, spells, fate, superstition, and luck will provide the money I need.

"I repent for myself and my family line for using diverse weights and measures, and not paying our employees their due."

"I repent for making money the center of the universe and not You, Lord."

"I repent for pride, gaining wealth by dishonest means, and vain striving for silver and gold. I repent for myself and for my family line for not exercising my responsibility to pay money that was owed to the governmental agencies. I repent for defrauding, cheating, lying, and stealing from the government. I also repent for a begrudging and bitter attitude in paying my taxes. I repent for not recognizing your anointing on government to provide for the basic necessities of our corporate life together. I repent for criticizing, complaining, and cursing my government for not providing enough for the people."

"I repent for myself and my generational line for seeking, accepting, treasuring, profiting from, and spending blood money. I also repent for adding blood money to my children's inheritance. On behalf of my ancestors, I choose to forgive those financial institutions which have foreclosed on mortgages and stolen property that rightfully belonged to me and my descendants as an inheritance."

"I repent across my generational line, for abandoning and sacrificing family and relationships, land and culture, and even faith in God, and for seeking gold and earthly treasures. I choose to seek after the ultimate treasure of my Lord Jesus Christ with all my heart."

"I repent on behalf of myself and my ancestors for believing in a poverty mindset, and being stingy with the body of Christ. I declare that Jesus came to give us abundant life. Father, in your mercy, free me and my future generations of the consequences of this. I repent and confess the lie that godliness implies poverty, lacking in basic necessities, living in poverty, always being in need, and that the children would never procure their education. I choose to believe and accept that God will supply all of my needs, and that there will be an inheritance for a thousand generations, that my descendants will not have to beg for food, and that all my needs will be met."

"I repent for being disconnected from the River of Life of God's endless supply. I choose to be connected to the River of Life, where God will grant me the ability to acquire wealth for His Kingdom. I repent for spending money on that which does not satisfy, and for not coming to your living waters to drink."

"I repent for myself and my generational line for hardening my heart, and shutting my hand against my poorer brothers in their needs. I repent of holding back my possessions and services to get higher prices from those in need. I declare I will open my hand and heart to the poor, sharing my resources as You lead, so no one will lack, and Your power will not be hindered, and Your grace will remain."

I choose to not hold back from the needy. I break in Jesus name, the curses that have come against me and my generational line for demanding unfair prices from the needy. Lord, would you release Your blessings and grace on my selling and trading, especially to those in need."

"I repent for not feeding the poor nor taking care of the widows and orphans."

"I repent for myself and my family line for not receiving the inheritance that You had for us, and I choose to receive the inheritance, abundance, and gifts that You have for us. I ask that it will come in such abundance, that we will be able to leave an inheritance for our children and grandchildren."

"Lord I ask You to disconnect my ancestors, myself, and my descendants from money that was tied to freemasonry, secret societies, secret agendas, covert operations, ungodly funding of churches and institutions, and for the building of ungodly altars and for funding prostitutes."

"Lord break off the curse of sowing much and bringing in little, eating and not having enough, and earning wages only to put them into a bag with holes."

"Lord I ask You to destroy the connectors, and cleanse the lay lines attached between me and earthly treasures."

"Lord, connect me to You alone. I choose not to hold on to anything but You. I give everything I have to You."

"I repent for myself and my family line, for the judgment that the gifts of the Holy Spirit could be purchased or sold. I break the curse that the money in my generational line and in my life would perish with me. I repent for my wickedness and my generational wickedness, and ask that my heart would be restored into a right relationship with You."

"Lord, I repent for making my giving an obligation to You and not a free act of my love. Lord, remove the yoke of obligation from me. Remove the canopy of law and obligation from me. Lord allow me to live in Your grace and your provision."

"I ask You, Holy Spirit, to be the One who directs me in what to give. Lord, make my giving come from an attitude of gratitude and of love. I choose to seek and follow Your guidance in my giving."

"Lord, I repent for not trusting You, and not trusting You to provide."

"On behalf of my ancestors and myself and future generations, I choose to forgive those who have swindled me, especially banks and financial institutions, and government agencies, and those who have charged me usury, and those who have tried to keep me in poverty and have disinherited my children."

"I declare I will be content in You and in my wages, in whatever financial state I am in."

"Lord, thank You for giving me the creativity to produce wealth in seed. Holy Spirit, teach me what to sow, what to reap, and what to harvest for Your purpose."

"I declare that I will eat of the bread of life and delight in Your abundance."

"I declare that I am one member of many members of the body of Christ, in whom are all the hidden treasures of wisdom and knowledge."

"Lord, would You please release into me the blessing and joy of giving freely, in accordance with Your will for my life."

"Lord, help me to see money with spiritual eyes, knowing it is Your resource and it belongs to You. Lord, would you release the treasures that the enemy has stolen from me and my family line."

"I declare that your Word says: You will go before us and make the crooked places straight; I will break in pieces the gates of bronze and cut the bars of iron. You will give us the treasures of darkness and hidden riches of secret places. You are the One who gives power to get wealth that You may establish Your covenant, which You swore to our fathers, as it is this day. The blessing of the Lord makes one rich, and You add no sorrow with it. The generous soul will be made rich, and he who waters will also be watered himself. Thank you for enabling me to leave an inheritance to my children's children."

"Lord, would you give me a circumcised heart, so you can release Your treasure from Heaven."
