## ***Health Update #12 More Good News!***

**By James (Jim) W. Goll \* June 20, 2005**

### ***The Results of the Collarbone Scan Are Back!***

*I have more Good News!* A week ago I had another CT scan done on my left collarbone. The doctors called me the middle of the week to give me ***More Good News*** - the growth on my collarbone is now only 17% of the original size - though it still (temporarily) has active cancer in it. The soreness, swelling and infection have all disappeared (we know how don't we!). So I thank the Lord for this additional piece of *Good News*.

While in Spokane, Washington at the **Elijah House Conference** celebrating the Sandford's 30 years of Elijah House ministry - John Sandford saw an arrow piercing me through from the back. He explained to me that it came from a coven of witches. This is also what Bob Jones and other leaders had discerned over the months. John then prayed to remove the arrow. As he did so, I actually felt an infection leave my body. The scan results the following Monday confirmed what John and several others have felt.

Thank the Lord for the body of Christ moving in discernment and power! Now let's pray and increase of a hedge of protection around our family so that these attacks cease and that there be no place of entrance for these fiery darts again!

As I have stated before, Michal Ann and I are committed to the journey of going towards great health! III John 1:2 states, "*May you prosper and be in health even as your soul prospers!*" Let's claim that one together for every aspect of all our lives!

### ***An Update on Ministry Finances***

Pray for finances to be released to cover our ministry needs for the rest of the summer months. In May I only brought in one honorarium from speaking engagements. This can make it difficult, as there still is the need to raise the number of monthly ***Network Sponsors***. The number of venues I minister at also greatly affects the amount of

Product Sales in turn. All of these funds are turned in to the "ministry". I do not keep any honorariums - they are all turned in to our ministry and used then to help pay all our needs - all staff salaries, ministry center and offices expenses, web site maintenance, mailings, missions activities, outreaches, on and on it goes.

Our driveway culvert at our **Encounters Ministry Center** offices also just collapsed this past month. It has cost \$10,000 just to repair the driveway and culvert with none of these expenses covered by our insurance! So we do need extra help!

I am canceling my international trips for the next 3 months out of wisdom for my health. June is a heavy month for me schedule wise, however. But my traveling itinerary for July and August purposefully slows down considerably again. I must get well, gain strength and stay well! So we do need continued special financial help over the next three months to meet our needs.

### ***Additional Tools to Help!***

One of the additional tools the Lord has raised up during this season to help us financially comes from **Eagles Wings' Ministry** headed up by Robert Stearns. Until August 15<sup>th</sup> you can sign up to receive ***Kairos Magazine***. This great prophetic periodical of six issues a year costs just \$10. But as a way of blessing our ministry - ***Kairos Magazine*** is donating \$5 of each subscription back to **Encounters Network**. This is a simple way to help us raise support. We each win also. You get edified through a great resource and we receive support into our ministry. Visit our website at [www.encountersnetwork.com](http://www.encountersnetwork.com) to sign up! Your partnership is greatly appreciated.

Thanks to all who continue to support the Goll Family, the ministry and staff of **Encounters Network** and all our outreaches. You're on going support and trust is greatly appreciated!

### ***An Update with Michal Ann***

Michal Ann has returned with the team of 23 from Mozambique with Rolland and Heidi Baker of **Iris Ministries**. She ministered day and night at the Holy Given Missions School and the Pastors School. The team also ministering in the villages where they saw hundreds meet Jesus for the first time, a chief in a village give his heart to the Lord and several healings occur. They each fell in love with the orphans and were thoroughly blessed. I will let her give you a full report later! Our team did awesome - God showed up - and Jesus was glorified! That is what counts!

Michal Ann is in strength and doing well. She had no jet lag either way and is doing great. Her energy level is good and she is "*in faith!*" Please agree with us for a complete breakthrough on her health - that is our request!

Many people are joining our staff on Thursdays as a special day for prayer and fasting as well. Thanks to all of you who do so! Let's keep praying for a complete breakthrough! "*And this is the victory that overcomes the world - even our faith!*"

### ***The Family Matters!***

Justin, GraceAnn and Rachel all raised support to accompany their mother on the missions trip to Mozambique. (None of our regular ministry funds were used to cover our kid's expenses.) Thanks to all who gave special gifts to enable three of our four young adults to go minister in Jesus name and be impacted themselves. Michal Ann said that she could not have been more proud of how well they each did on the trip!

Tyler is currently on a mission's trip to Mexico with our church's youth group! What a delight it is to have kids who love the Lord and are committed to His plans for their lives. Tyler's 17th birthday is July 7<sup>th</sup>! Wow! My 53<sup>rd</sup> birthday is this July 3<sup>rd</sup> as well. We will celebrate the 4<sup>th</sup> of July this year with Michal Ann's brothers and families in Dyersburg, TN. We look forward to that time with them.

### ***Other Ministry News!***

Michal Ann's and my coauthored book, ***God Encounters***, just came out and it is great! Visit our web site to order a copy of this new exciting book! I will be in Denver, Colorado the second week of July for the annual Christian Bookseller's Convention where this new book will be highlighted.

Remember - you can still sign up for our **Israel Prayer Tour** for this October 11 - 23. Visit the web site at [www.jamesgoll.com](http://www.jamesgoll.com) for details! Payment can be arranged by credit card also! Pray and see if you are to come on this exciting venture!

Make plans to attend our yearly **Women on the Frontlines Conference** this August 4 - 6<sup>th</sup> in Florence, Alabama. This year's theme is ***A Call to Take Action Together!*** Stacey Campbell, Patricia King, Heather Clark, and Shelvi Gilmore all join Michal Ann and Beth Alves in this awesome gathering. Men Come at Your Own Risk!

### ***Completing the Course!***

We truly need and want a new beginning. It is time to turn the corner towards new ventures in God. Let's move forward in Christ Jesus! Michal Ann and I both want a full recovery and to end up in a better place than when this began! Remember, "*When the thief is caught he must repay seven fold*". That includes sevenfold time, energy, money, health and everything else! Let's complete the course and do it really well!

In prayer, let's knock the remaining cancer out of Michal Ann's liver in Jesus name! Continue to pray for the remaining 17% of the growth on my collarbone and the 40% behind my stomach to dry up also! Pray the hedge of protection around our lives and ministry so that this "witchcraft" will never be able to infiltrate again!

Remember - when you have done all - Stand! Continue to stand with us on the promises of God's Word!

***James W. and Michal Ann Goll and Family  
and the Staff and team of Encounters Network***
