Progress is Being Made!

The Growth is Shrinking!

The growth on my left collarbone is now around half the size that it was two weeks ago! This is great news! It needs to completely disappear though – so I still have a ways to go. I meet with the specialist on March 2 to be checked out and get a progress report. Then it will be determined what comes next. (I had stated to you earlier that the next appointment was today - on February 23, 2005 – but I had the appointment date wrong. It is in one more week!)

Therefore, I will find out next week when tests will be ordered to see what has happened to the internal growth. My insides continue to feel like a war is going on- and it probably is! But I receive this as a positive sign!

I still have to stop and rest at times and simply lay down - or even not do anything some mornings until my energy levels arise. But rejoice with me that the prayer and therapy is working! More Lord!

We Continue to Fight

Recently I have been privileged to receive special prayer with Steve Zaritt and David Dreiling and from Randy Clark. I thank the Lord for all these opportunities for healing prayer and all the intercession that is arising around the globe!

The official 40 Days of Prayer is now complete as of February 22. But the need for intense prayer remains. I am not calling for just one strategy to continue – but asking you to seek the Lord and follow His lead in what comes next. But please do not stop! The fight is not over – we must continue to engage! In fact, when I do get the clean bill of health report – we will not stop then – but we will continue to raise up a Health Prayer Shield to keep the enemy out! As my wife is now declaring, “Never again!”

People are continuing in prayer across the nations – from Malaysia to Canada – from Germany to the United States – believers are uniting to call on Father God to release an injunction against the powers of darkness in Jesus Name! We shall win!

The Schedule Ahead!

As you are aware, I have needed to cut out a lot of my itinerary. My wife travels with me this week to Harrisburg, PA for the yearly Firestorm Conference. Our staff and team accompanied me to Ohio this past week for the Engaging Heaven Conference. The

hosts at the gatherings are being gracious to me and allowing my ministry times to be paced out. So this helps a lot! Others have had to release me from ministry engagements to help me to adjust to a new tempo!

We have also launched the weekly Teleconference Calls on Tuesday nights at 7 PM as a means of teaching, impartation and inspiration. This allows me to stay at home more and still release what the Lord has given to me. The next series begins this next Tuesday night and runs for 3 weeks on the subject of Discerning of Spirits. You will be receiving an e-mail communication about this if you would like to sign up!

Remember to pray for strength and for rest and for these gatherings that the word of the Lord and the demonstration of the Spirit would be strong. Remember our Sounds of Heaven on Earth Conference March 16 – 19! Yes, we are still doing it! (See our web site for details –http://www.encountersnetwork.com/email_blasts/sounds_heaven_eb.html) Please pray for the conference and see if you can come! It would be a blessing to see you there!

Thank You for Your Help!

A big thank you goes to all of you who are assisting us in this time of need. Dr. Che Ahn of HIM composed a letter in our behalf with endorsements from other Apostolic Leaders. This letter has then been sent out to our e-mail list and is posted on our web site. We do still need your support and will for the next few months.

If you can contribute to the Mercy Assistance Fund then checks should be written to Encounters Network. You may contribute by calling 1-877-200-1604, by going to our website at www.encountersnetwork.com, or by mailing it to our offices at P.O. Box 1653, Franklin, TN 37065. Your assistance is enormously appreciated!

And when you have done all – Stand! Stand with us at this time! We love you deeply in Christ Jesus!
