The Treatments Have Begun Again!

Yesterday I completed my first treatment of the second round of passive immune therapy at Vanderbilt Hospital in Nashville, TN. The treatment went well – but I have been “tired physically” as a result of it.. I will do three more treatments on consecutive Wednesdays for the month of April. Scans and tests then will be done at the end of May and the results will be evaluated in the first week of June. I am trusting that this is it!

While I am very grateful for the medical help, etc. – I am tired of this! It is time to end this cycle and be “done already!” I am sure you know what I mean!

More Prayer Lord!

Though the official 40 Days of Prayer was completed as of February 22, prayer continues to arise. Our staff and team will be fasting each week on Thursdays when we have our weekly Network Prayer Warriors gathering. Perhaps you could join us in prayer and fasting one day a week. That would be awesome! We still have a ways to go – we are only half done on the healing process! Please do not stop! The fight is not over – we must continue to engage! So please be in prayer with us!

A Word at Our Conference

Our March **Sounds of Heaven on Earth Conference** was wonderful. The worship was awesome – the messages penetrating – and God was great. Our attendance

was only about half of what it was last year – but His presence and power was wonderful! God is good all the time! But at the conference the Lord spoke to me . . .

After Chuck Pierce gave an amazing message, Chuck called for prayer for me. Our Staff and Team all rallied around me and it was wonderful! Then while having “carpet time” the Holy Spirit spoke clearly to me. Here is part of what I heard. *“Even if I were to totally heal you in one moment, I would still require of you that you not totally engage over the next 90 days and that you rest.”*

Wow! An interesting word indeed! His will is to “heal me” – But His kind intention is also to “retool me”. So the Father is about much in these days. So pray for the fullness of His purposes to be accomplished.

I have just sent out a note to the area Nashville leaders that I will not be as available for the next 90 days or so. They are so gracious and such a great group of leaders. So I will be investigating, with the help of others, what else to prune in this season. Pray for the spirit of wisdom to be released.

Life and Ministry Continues!

Yesterday was our youngest child, Rachel’s, 15th birthday. She, as all our four kids, is a great delight to us! Rachel is such a godly example to many – an intercessor and prophetic evangelist in the making!

Michal Ann just returned from ministering at the **Women of the Word Conference** in Montreat, NC and then in Asheville, NC at **King of Glory Community Church**. She was able to stay over and visit with Joni Ames and Bob Jones. So this was a real delight to her! I was Mr. Mom while she was away.

The weekly **Network Connections Teleconference Courses** on Tuesday nights at 7 PM are a blessing to many. I just completed a two part series this past Tuesday night on answering questions that people had sent in. It was fun! But I am really looking forward to the next four part series called *“Do You Want to Hear God’s Voice Better?”* It begins on Tuesday, April 19th and goes through Tuesday, May 10th. Visit the www.encountersnetwork.com web site for more information or the link to sign up for this course!

My new book, *Praying for Israel’s Destiny*, is out and available through our online bookstore. I am so pleased! Praise the Lord! One way you can help us out during this “season of transition” is by purchasing product! This is a great book and will give you insights in the days in which we live!

Thanks for Helping!

We will still need special assistance for the next 90 days. To contribute to the Mercy Assistance Fund, checks should be written to Encounters Network. Call 1-877-200-1604; give online through our web site at www.encountersnetwork.com, or mail contributions to our offices at P.O. Box 1653, Franklin, TN 37065. Your kindness is greatly appreciated!

Remember - when you have done all – Stand! Please continue to stand with us at this time! You are deeply appreciated!
